### DRIVING DIRECTIONS FROM MBABANE

If you are coming from the Osheok border, stay on the main highway. It will merge with town traffic at the top of a very windy, steep hill.

If you are coming from Mbabane, get onto the Main Mbabane/Manzini highway.

At the bottom of the Hill take the 1st exit off the highway to Ezulwini onto the MR103. Turn right to cross the bridge and get onto the Old Main Road. Carry on for 7km (following signs for Pick n Pay). Just before the first speed bump, turn left and follow the signs to Buhleni.

### DRIVING DIRECTIONS FROM MANZINI

Take the highway exit marked Ezulwini, Lobamba & Malkerns onto the MR103. Turn left at the stop sign. Take the second exit off the roundabout to Lobamba. Turn right at the stop sign and carry on for 1.5km. Just after the last speed bump, turn right and follow the signs.
